

Biology MS Program Supplemental Application Questions:

1. How long have you been working in the lab in which you plan to do your thesis work?
2. When do you expect to receive your B.S. or B.A. degree? (Month and Year)
3. **(Only for rising seniors)** How many courses do you need to take during your year in the MS program **to finish the requirements of your B.A./B.S. degree? Note that, generally, only one additional course is allowed.**
In case of any changes in the number of courses to take during the MS program please inform the Assistant director prior to the beginning of the program.
4. How many hours per week are you planning to spend in extracurricular activities next academic year?
